

Redistricting Commissioners,

There's a mistake in the maps that are being drawn. The area of Civita, located in Mission Valley, is being shown as part of Serra Mesa. The convoluted border established for Serra Mesa is confusing. The streets shown on the Districtr map that need to be incorporated into Mission Valley are Via Alta, Via Alta Pl, Franklin Ridge, Qualcomm Way, Russell Pkwy, Civita Blvd, Mid Vintage Ln, Inception Way, Stylus Dr, Modern Oasis Dr, Mission Center Drwy, Aperture Cir, Ridge Ct, and Summit Way, The population is 3,498. See sample maps.

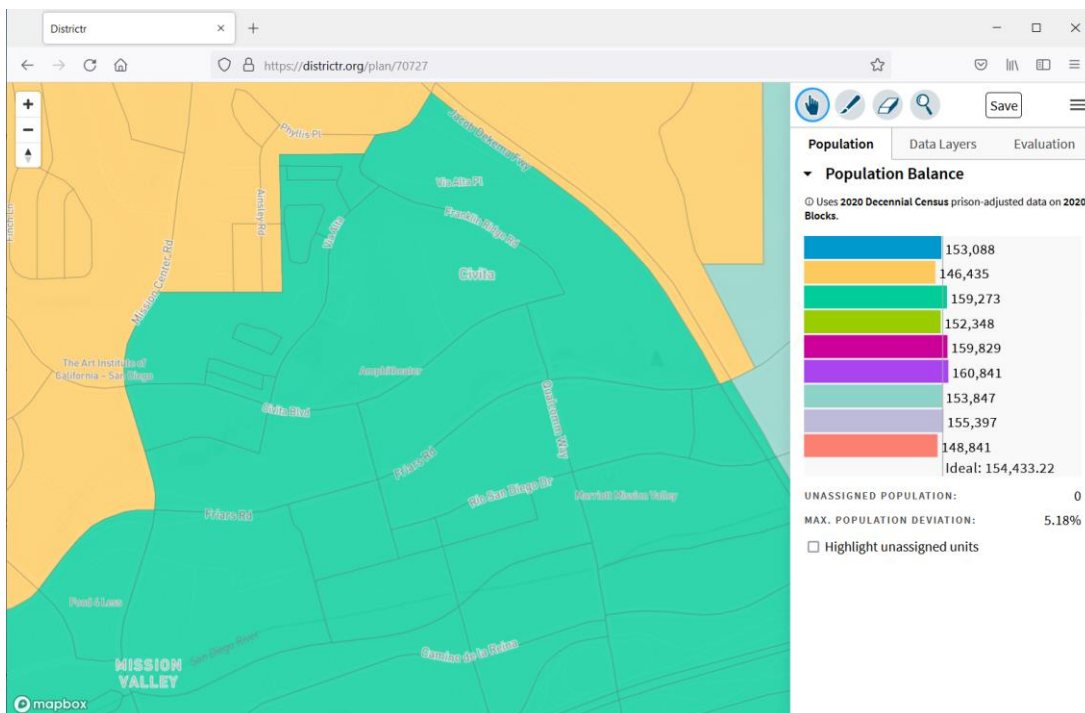

**Please ask your consultant to correct this mistake.** I previously identified this mistake in a 10/20/2021 email.
