Wanted: East Village Area Homicide Suspect Up to \$1,000 Reward Offered

October 18, 2018

San Diego County Crime Stoppers and investigators from the San Diego Police Department's Homicide Unit are asking for the public's help in identifying and locating a suspect involved in the murder of a business owner in the East Village area.

On October 10, 2018, at approximately 3:42 p.m., the San Diego Police Communications Center received a 9-1-1 call from a customer who had entered a business in the 1000 block of G Street and found what he believed to be a deceased male. Patrol officers and San Diego Fire-Rescue personnel arrived approximately two minutes later. When the officers entered the business, they found 49-year-old Ghedeer Tony Radda down inside who had no pulse, was not breathing and had apparent trauma to his upper body. CPR was initiated, but unfortunately Radda succumbed to his injuries and was pronounced deceased at 4:04 p.m.

San Diego Police Homicide Detectives were called to the scene and are investigating the incident. Based on information developed during their investigation, 51 year-old Kevin Eugene Cartwright was identified as the male suspect. Cartwright was arrested in the City of El Cajon on October 17th and was booked into jail for the murder.

Cartwright was accompanied by a female suspect during the incident. She is described as a light skinned female wearing a purple wig. She was wearing a dark jacket and blue jeans. Investigators are still trying to identify the female suspect.

*****A surveillance image of the unknown female suspect can be found on page 2 of this release.*****

Anyone with information on the identity and or location of this female suspect is asked to call the San Diego Police Department's Homicide Unit at (619) 531-2293 or the **Crime Stoppers anonymous tip line at (888) 580-8477**. Crime Stoppers is offering up to a \$1,000 reward to anyone with information that leads to an arrest in this case. Visit the Crime Stoppers website at www.sdcrimestoppers.org for more information on how to send anonymous web and mobile app tips.
