

Dear Commissioners.

I chaired the Clairemont Plan Update Subcommittee for three years and also served on the CCPG.

If Clairemont is ever going to improve its infrastructure to accommodate the mandated increased population associated with the Midcoast Trolley Extension, Clairemont needs to be one.

There are inherent difficulties in splitting the district into two or moving Bay Ho and Bay Park to CD1 and effectively disenfranchising citizens for many years.

I would like to see the community of Clairemont united into one district and recommend the Clairemont United map 74956.

Thank you,

Susan A. Mournian
