

The Linda Vista Planning Group will meet on October 25 to consider a response to the draft maps posted by the Redistricting Commission. However, based on positions previously adopted by the Linda Vista Planning Group, we are pleased to see that all of the draft maps reunite Linda Vista in a single council district. However, we are disappointed that in none of the maps is Linda Vista included with Clairemont in a single district. Clairemont, more than any other community in our part of town, is the community most similar to Linda Vista and shares the concerns of Linda Vista.
