

The Linda Vista Planning Group met on October 25, 2021 and adopted the following in priority order:

1. Linda Vista should be united in a single council district.
2. Linda Vista should not be part of a council district that includes communities south of Interstate 8.
3. The district that includes Linda Vista should also include both sides of Friars Road west side of Route 163, and should also include the San Diego Tennis and Racket Club (which is located just north of Tecolote Canyon Road and to the east of Morena Boulevard).
4. The entirety of Linda Vista should be included in a council district that includes as much of Clairemont as possible.
5. Linda Vista should not be part of a coastal district – the boundary of Interstate 5 should be respected.

Howard Wayne  
Interim Chair  
Linda Vista Planning Group
