

Dear Redistricting Committee,

I have been a long time resident of Torrey Hills and love this community in Carmel Valley. If you have driven through our neighborhood , I'm sure you have seen how connected we are to the Carmel Valley/Del Mar Mesa community, and how seperated we are from the district 6 community by Los Penasquitos Canyon. Torrey Hills residents are proud to have helped contribute with our taxes and Mello Roos the rec-centers, schools, and even for several bonds that were just recently passed and voted for all in our community.

Redistricting Torrey Hills would be splitting a neighborhood in half, and my husband and I strongly oppose the proposed map. We are Carmel Valley!

Thank you for consideration,

Brenna and Vlado Vucicevic
