

You listened to several people speaking, some of them showing maps with Torrey Hills in one piece, in district one, together with Carmel Valley. Aidan Lin, Chris Nielsen, Jeff Heden, none of whom even lives in Torrey Hills supported it being in one piece and together with Carmel Valley. You got speakers from Torrey Hills Kathryn Burton and Joan Chen in support of Torrey Hills. None of the speakers objected.

Please don't be afraid, some changes are not controversial and this is one of them. Otherwise, we would have to send you messages for meeting #2,3,4 and 5. More work for you, more work for us.

Regards
