Re: Endorsement of Clairemont United Compromise Map #74956

Chair Hebrank and Commissioners:

On behalf of the Clairemont Town Council, I want to express our deep appreciation to you for acting on November 13, 2021, to advance the Clairemont United Compromise Map (#74956) as the Commission's approved Preliminary Plan.

We are grateful that our voices have been heard and you are moving into the final public hearing phase of this redistricting process with a map that reunites our Clairemont community into a single city council district. Moreover, your recommended map meets City Charter criteria with respect to population equivalency and geographic compactness.

The Clairemont Town Council endorses your action to approve the Clairemont United Map and looks forward to participating in your upcoming hearings towards the adoption of the Final Map.

Sincerely,

Eden Yaege, President
Clairemont Town Council
