

I do NOT want the proposed redistricting to split up the University City community at Genesee Ave or anywhere. Why change something that works well and has for so many years.

The commissioners don't know our UC community and the relationships that have been built over the years, including our Neighborhood Watch.

I feel that a split will adversely affect businesses, our property taxes, our police department and its response time, and our new fire/rescue team on Shoreline Drive and its response time.

I respectfully ask you vote against this updated Redistricting Commission map

Sincerely,
Nancy Irwin
