

I don't understand why Torrey Highlands (92129) is included in district 1 and Torrey Hills (92130) has been kicked out of district 1.

We are one community with shared interests, such as school districts, local shopping, parks, and libraries. It's scary to think about not having a say in issues that would concern district 1 (92130) . So please keep all of Torrey Hills with Carmel Valley in district 1.

Thank you for your time in this matter.
