

Dear Redistricting Commissioners -

Have just viewed map p7340 and am aghast that splitting Pacific Beach (PB) in half along Lamont Street is even being given any credence.

PB is a unified committed community and has been for decades through many previous redistricting realignments. It does not make any sense to carve it up as this proposed map shows. Please, I beseech you, discard this idea forthwith.

Sincerely,

LOU CUMMING

2015 Honorary Mayor - Pacific Beach
