

I am a Torrey Hills resident that has lived in the community for over 20 years. I am strongly against the plan to redistrict Torrey Hills, all or part, from District 1 to District 6.

First of all, we are separated by a long stretch of Los Penasquitos Canyon and, therefore, do not share communities of interest. Further, dividing Torrey Hills in any way would move a portion of the neighborhood away from its natural communities of interest, including Carmel Valley, Torrey Pines and Del Mar Mesa, having devastating implications for families on many levels.

I urge you to keep all of Torrey Hills intact and in District 1!
