

Dear City of San Diego Redistricting Commissioners:

My name is Natasha Wong, and I am a resident of District 1. I also work in District 6.

I am in strong support of the approved Redistricting Commission Map as shown in this link: [Map Approved by the Redistricting Commission on 10-29-2021.](#)

I ask that you please kindly consider:

- keeping Convoy and part of Kearny Mesa in District 6
- keeping UCSD in District 1
- keeping Park Village, Rancho Penasquitos and Torrey Highland in District 6
- keeping Mira Mesa, Sorrento Valley and Miramar together in District 6
- keeping part of University and Clairemont in D6 but do not split in more than 2 Districts

In order to solidify an Asian Empowerment district in District 6, I respectfully request that the Commission consider keeping the API as close to 40% or higher as possible.

Thank you all for volunteering your time for this very important process.

Sincerely,
Natasha Wong
