

To whom it may concern:

I am opposed to any redistricting map that separate Torrey Hills from Carmel Valley for the following reasons:

1. We paid Mello Roos and a large portion of our property taxes to Del Mar and San Dieguito School Districts.
2. We are so far from Mira Mesa (more than 7 miles) and share no common interests, demographics, and lifestyles with District 6.
3. Ocean Air Recreation center were paid for partly by Torrey Hills
4. We paid a much higher premium price for our houses in Torrey Hills in comparison to Mira Mesa.

Please reconsider this drastic change as it will not be fair for Torrey Hills residents who already paid premium for the same house to be in the neighborhood. It also does not make sense logistically for kids to go to schools in Mira Mesa which is 3 times as far as the schools in Carmel Valley.

Best regards,
