

Good morning.

I am in support of the Preliminary Redistricting Plan and the map approved by the Redistricting Commission (8-1) on October 29, 2021 for Rolando Park to be in D9. It makes the most sense and allows Rolando Park to reunite with other College Area neighborhoods north of our community.

Rolando Park residents, such as myself would like the opportunity to have better representation by being a part of D9 so that our neighborhood can thrive, grow and prosper.

Your time and consideration of this request is greatly appreciated.

Regards,

Augustine Avilucea
