**Councilmember Todd Gloria**

City of San Diego ▪ District Three

Friends,

I hope you all remembered to spring your clocks forward this weekend and plan to have a great week. Because this week will be busy in District Three and at City Hall, I thought an update would be helpful.

**City Business This Week**

The City Council will discuss critical items related to infrastructure, redevelopment, and the City budget, and I encourage your participation and feedback. To see agendas for meetings this week, please visit <http://www.sandiego.gov/directories/government.shtml>.

**SR-163 Closure**

SR-163 will be closed between I-8 and A Street intermittently through May 28 for a sewer pipeline rehabilitation project. Obviously, this route is frequented by people in and around District Three, so alternate travel routes should be planned. The closure schedule is below and additional information is attached to this email and at [www.sandiego.gov/engineering-cip](http://www.sandiego.gov/engineering-cip). Questions may be addressed at [engineering@sandiego.gov](mailto:engineering@sandiego.gov) and 619-533-4207.
