OFFICE OF
CITY MANAGER

SAN DIEGO 1, CALIFORNIA

January 11, 1946

THE HONORABLE MAYOR AND CITY COUNCIL
OF THE CITY OF SAN DIEGO, CALIFORNIA

GENTLEMEN:

Returned are documents 358263 and 358289 concerning the petition of residents and others for keeping the waterway, parallel with West Point Loma Boulevard, open for boating, with access to Mission Bay.

Attached hereto is a report from the City Engineer regarding bid submitted by Artukovich Brothers for placing a siphon in the waterway to provide an open channel, as requested, in the amount of \$14,000.

This whole matter was taken up in Council conference January 8, and it was decided that the City would proceed under its present plans and specifications for completion of the work and, later, call for bids for installation of the inverted siphon as requested by the petitioners.

It is recommended that the communications be filed.

Respectfully,

F. A. Rhodes
