

San Diego, California, August 26th, 1930

To the Honorable, the Common Council, San Diego, California,

GENTLEMEN:

The undersigned respectfully petition as follows: There is a petition filed with the City Council alleging that the Presidio Fairway is a nuisance.

We, adjoining property owners and business people, are in favor of the maintainance of this golf course as it is a decided asset to our property and business and does not constitute a nuisance.

Mr Dana has taken all neccessary precautions we feel that can reasonable be expected so that the hazards are no greater than ordinary progress of events such as golf courses and automobiles entail.
