

Dear commissioners,

My name is Asaf Benhaim and I am a resident of the Preserve Community at Del Mar (address 6926 the Preserve Terrace, San Diego, CA 92130)

I have been recently made aware that according to map 91107 our community has been mapped to District 5.

I hope this is an oversight as the Del Mar Mesa community should not be split into 2 districts. This will be a strain on the Del Mar Mesa Community Planning Boards to work with two districts and is orthogonal to our interests.

Sincerely,

Asaf Benhaim
