

In the discussion after the public comments on Dec 15th meeting.

Commissioner Hoy mentioned that he thought, Helen Boyden and Jeannette Waltz were are part of Del Mar Mesa Community Planning board. I'd like to clarify that they are not a part of DMM Community Planning board.

DMM Community Planning board is OK with the map proposed today as discussed . DMM, has no comment on the pumps as it's outside our boundaries.

The commissioners have met and understand the needs of DMM Community. Thanks for listening.

Shital Parikh
Vice Chair, DMM Community Planning Board.
