

Morena, Bay Park, and Clairemont

Morena Conveyance South & Middle and Conveyance Bike Lanes Construction Alert

December 23, 2022

To learn more about projects in the Morena/Bay Park/Clairemont neighborhood, visit morena.purewatersd.org, call the project hotline at **833-MOR-PWSD (833-667-7973)** or email purewatersd@sandiego.gov.

*Para informes en español, por favor comuníquese al **833-MOR-PWSD (833-667-7973)**.*

Underground Utility Location Work Continues at Several Locations

Work to locate utilities under the street will continue on the project throughout this calendar year and into 2023. Traffic control will be in place to provide crews with a safe space to work. Businesses and residents will have access to their driveways if they're located within the work zone. Please follow the posted signage in the area for your safety.

Throughout the next 4-5 weeks, crews will be working at the following locations:

- On Denver Street near Bay Park Elementary
- On Clairemont Drive between Iroquois Avenue and Balboa Avenue
- On Morena Blvd. from Sherman Street to Milton Street
- On West Morena Blvd. in the intersections with Dorcas Street, Morena Blvd. and Milton Street

Please note, there will be no work taking place on Monday, Dec. 26 or Monday Jan. 2 in observance of the Christmas and New Years holidays. Working hours are from 7:30 a.m. to 4:30 p.m. Typical noise associated with construction is to be expected.

Construction notices are posted on morena.purewatersd.org. Please contact purewatersd@sandiego.gov or **833-MOR-PWSD (833-667-7973)** with questions about the City's Pure Water Program and/or the Morena Conveyance South & Middle and Conveyance Bike Lanes project, and a team member will get back to you within one business day.

Visit the project website for more information

**Safety of the construction crews and community is our top priority.
Please slow down near work sites and follow pedestrian instructions.**

About Pure Water San Diego

Pure Water San Diego is the City of San Diego's phased, multi-year program that will provide nearly half of San Diego's water supply locally by 2035. Pure Water San Diego will use proven water purification technology to clean recycled water to produce safe, high-quality drinking water. The Program offers a cost-effective investment for San Diego's water needs and will provide a reliable, sustainable water supply.

Phase 1 includes several projects that will clean recycled water to produce 30 million gallons per day (mgd) of high-quality purified water, reducing the City of San Diego's dependence on imported water.
