

Please leave ALL of Torrey Hills in District 1.

It does not make sense to carve out 606 residents to vote on issues irrelevant to the community we live, frequent, shop and educate our children in. We made a conscience decision to purchase our home in Torrey Hills due to the proximity to the greater Carmel Valley area. Mira Mesa is not a community we frequent mostly because of the geographic divides caused by the canyon separating the Torrey Hills neighborhoods from Mira Mesa. It is out of our way to shop and frequent Mira Mesa. Our daily existence and money is spent in the District 1 area not District 6. Why would I want to vote on issues that impact an area I don't know anything about and do not frequent. Keep our TORREY HILLS COMMUNITY in tact and don't break us up. I am confident there are other ways you can achieve your desired outcome with increased numbers of diversity with leaving the 606 residents in the St Augustine Neighborhood alone and let us vote on issues that concern our every day living and community in District 1 as this is our COMMUNITY.

Kindly,

Danielle Morgan - Cunningham
