

Dear Sir/Madam,

Residences on Terraza mar marvelousa were part of Carmel Valley forever but the houses on East Oceanair are now proposed to be part of Mira Mesa which is not Acceptable while the rest of Torrey hills is part of Carmel Valley and also due to it's geographic separation from Mira Mesa.

I request the redistrict commission to reconsider the decision and keep Terraza mar marvelousa and homes on East Oceanair to continue to be part of Carmel Valley.

Thank You

Murali
