

Dear Commissioners:

I am living on the street of Vereda Luz Del Sol, and my kid also grow up in the Torrey Hill community. Recently due to redistricting, my street may be taken away from Torrey Hill.

It is very sad to hear about it. We love this community and have been looking on us as a part of the community of Torrey Hill. I strongly suggest not to separate us from our loved community.

Each day when I drive from workplace or supermarket back to my home, and see the sign Torrey Hill on the street, I feel very warm and cannot imagine we are going not belong to it.

Please consider our feelings.

Thank you very much.
