

Dear Commissioner, Dear Ragini

I would like to cede my speaking time to Ragini Murugan at tomorrow's meeting in the matter of redistricting the Carmel Valley Boundaries. It is unclear what motivated the new Boundary Map, which will affect our community dramatically. Furthermore, it will decrease our housing price as our kids will not be able to go to the accredited Del mar Union/san dieguito school district.

I urge you to reconsider the consequences and correct the map.

Sincerely
Sabine Jalaie
