

Dear Redistricting Commission for the City of San Diego,

We are alarmed to hear Old Town is to be proposed to move from district 3 to district 2, just today! Nearly simultaneously, there were two meetings today held 30 minutes apart creating confusion - the County Redistricting meeting was also held today at 5:30pm and this City redistricting today at 5:00pm. We quickly scrambled to read the link sent by a county redistricting employee to hopefully call in; but, to no avail, the City meeting ended around 5:40pm.

This confusion must also be realized by other neighbors and seems like a deliberate cause to miss any opportunity to stand up and speak out for our neighborhood and community.

Please include my comments in this email and the attached pdf to keep Old Town in District 3. Not only does this reflect the historic significance of our organic and geographic outgrowth with our neighbors in Mission Hills, Banker's Hill, Balboa Park, Gaslamp (Horton's subdivision), the San Diego River, and more, the historical records and citations shows the links of Old Town's significance and impacts to the development of the City of San Diego . In proposing to move Old Town into District 2, undoubtedly affects the historic resources and significance.

You have the ability on December 15th, 2021 to do the right thing and to keep Old Town in District 3 and on the right side of history!

Respectfully submitted,

Patricia Fillét
