

Hi Lora,

Please distribute this email and attachment to the Commissioners in advance of this evening's meeting. I am submitting this as a private individual and am not affiliated with any group.

The attachment to this email shows some minor changes to Map 91107, North of I-8.

Making these minor changes results in a **map with a D6 AVAP of 41.4 % vs. 40.7%, a D6 Asian population of 40.9% vs. 40.1% and a total deviation of 6.20% vs. 6.30%**. This map can be found at <https://districtr.org/plan/91467>. The total deviation is controlled by the overpopulation of D7 and D9 and the under population of D4. The total deviation for Districts 1, 2, 3, 5, 6 and 8 is 3.42%.

The minor changes assure:

- Rancho Peñasquitos is united.
- Clairemont is united.
- Linda Vista is united.
- UCSD is united.
- Zip code 92037 and La Jolla are united.
- Most of Scripps Ranch and Rancho Encantada are in D5.
- Most of Pacific Beach is in D1.
- Mission Bay is in one district.
- Most of University City is in D6.
- Eastern portion of Miramar is returned to D7.

Thanks,

Sherri S. Lightner
