STATEMENT

SAN DIEGO, California (July 11, 2013) --- Councilman Kersey issued the following statement regarding Mayor Bob Filner's pre-recorded address on sexual harassment allegations: **"It is disturbing that the Mayor did not deny any of the allegations made by four high-profile San Diegans. Our immediate focus should be on the safety of our workers. No employee should feel intimidated or vulnerable on the job. We have to ensure that the City of San Diego sets the highest possible standards for professionalism in the workplace. Any and all claims must be immediately investigated by the City."**
