FY 2014 Councilmember Budget Priority Memoranda

OVERVIEW

As part of the FY 2014 budget development process, each Councilmember was requested by the Council President to remit their budget priority memorandum to the Office of the IBA on May 31, 2013. These memoranda specified priorities for each Councilmember not addressed in the FY 2014 Proposed Budget or May Revision, proposed potential new funding sources for priorities, and discussed fiscal policy matters to consider during the upcoming fiscal year.

These memoranda were then used in developing the Office of the IBA's report 13-23 (*Review of the FY 2014 May Revise and Recommended Revisions to the Mayor's FY 2014 Budget*), for City Council consideration during final budget deliberations at the Council meeting of June 10, 2013. As a supplement to report 13-23, we have attached each Council District's memorandum for review.
