

New Databases Available!

Beginning August 1

Whether you are pursuing your passion, have a do-it-yourself project, or need to do research for a classroom assignment, San Diego Public Library has free access to online resources with your library card.

The new graphical interface will make it easy for you to find what you want.

New featured databases:

- **Rosetta Stone** - Fast and fun way to learn a variety of languages
- **Zinio** - Access digital magazines from around the world

Online resources available for **FREE** with your library card:
