Good morning,

[Last week, I shared my personal story about how the flu affected my family earlier this year.](#) To honor my brother Brad, whose life was claimed by influenza in January, I want to be sure our community knows the importance of getting a flu shot.

This Thursday, I'll be hosting a flu clinic in partnership with Palomar Health. If you and your family haven't received your shot yet, I encourage you to join me.

**District Five Flu Clinic
Thursday, October 16
1:30-3:30 p.m.
Ed Brown Senior Center
18402 W. Bernardo Dr. San Diego 92127**

*\$20 per person. Medicare is accepted for those who qualify. Seniors must bring their red, white and blue Medicare card. Payment is due at the clinic, payable by cash or check.
For more information, please call (858) 487-9324.*

Even though there's no guarantee Brad wouldn't have gotten sick, I'm convinced he might have fared better had he taken the few minutes to get the flu shot. I want to prevent even one family from having to suffer the way my family has so please help me get the word out.

Best,

Mark Kersey
