FY 2015 Councilmember Budget Priority Memos

OVERVIEW

As part of the FY 2015 budget development process, each Councilmember was requested by the Council President to submit their budget priority memos to the Office of the IBA on May 23, 2014. These memos identified specific expenditure priorities and potential new funding sources not yet included in the FY 2015 Proposed Budget or the May Revise.

These memos were then used in developing the Office of the IBA's report 14-20 (*Review of the FY 2015 May Revise and Recommended Revisions to the Mayor's FY 2015 Budget*), for City Council consideration during final budget deliberations at the Council meeting of June 9, 2014. As a supplement to report 14-20, we have attached all Council District memos for review.
