

To the Honorable, the Common Council, of the City of San Diego,
and the Committees to whom this matter shall be properly referred;

F and Sixth

We, the undersigned, doing business on Fifth streets, in the
City of San Diego, between F and G sts., hereby most respectfully
recommend to your Honorable Body that the application of H. A.
Reichenstein for permission to remove the Imperial Saloon, now
located at 850 Sixth st. to 741 Fifth st. be granted. The same
being a first class saloon, and has heretofore been conducted,
so far as we are informed, in an orderly, quiet manner, and in
our opinion there can be no possible detriment in any manner
to the interests of the City of San Diego generally, or to the
interest of any person doing business or residing on said Fifth
street between said F and G sts., should said permission be
granted, and said saloon located at said number.

Most respectfully,
