

SAN DIEGO, CALIFORNIA, Jan. 26th, 1911.

To the Honorable, the Common Council, San Diego, California:

GENTLEMEN:

The undersigned respectfully petitions your Honorable Body as follows:

That in July, 1910, she was given until October 15th in which to grade Hooker street, between the north line of Lewis street and the south line of Broadway, at private contract, but owing to the fact that it was necessary to establish the grade before the work could be done she did not get at it in time to complete it before the time limit, and was further delayed because she desired to get Broadway graded first. Therefore she again asks that she be given sixty days in which to grade said portion of Hooker street by private contract.
