First Charter Review Committee Items to be Heard at Council for Approval to be Placed on June Ballot

SAN DIEGO --- San Diego City Council President Sherri Lightner announced that on Monday, December 7, 2015, the first set of Charter Review Committee recommendations will be heard at City Council. The items include recommendations to use gender neutral language and to clarify finance and budget procedures. If approved by the Council, the recommendations would then be added to the City wide ballot in June of 2016.

“Many of the Charter sections are old or outdated, and contain language that is no longer pertinent to City operations,” stated Council President Sherri Lightner. “The intent of this first round of revisions is to clean up the Charter and make it relevant for current City procedures and Department needs.”
