

NOTICE

DEVELOPMENT SERVICES DEPARTMENT

CITY OF SAN DIEGO - 1222 FIRST AVENUE, M.S. 501, SAN DIEGO, CALIFORNIA 92101

DATE: January 26, 2016

TO: Distribution

FROM: James Nagelvoort, City Engineer

SUBJECT: Right-of-Way Construction Restriction during Major League Baseball's All Star Game and San Diego Comic-Con International Construction– July 2016

The City of San Diego will have the privilege of hosting Major League Baseball's All-Star Game and All-Star Summer Events as well as San Diego Comic-Con International in July 2016. To assist in the success of these events, a limited one-time special events construction restriction in public rights-of-way will be in effect within the boundary of the enclosed map for the 3-week period starting July 5, 2016 and ending July 26, 2016 covering the activities associated with these two events. The limits of the restricted area are defined as Hawthorn Street, Ash Street and Park Boulevard towards the north, 19th Street on the east, East Harbor Drive and Commercial Avenue towards the south, and North Harbor Drive on the west.

This restriction only applies to activities in the public right-of-way. The purpose of this restriction is to minimize traffic impacts related to construction on All-Star game/events and Comic-Con in the area. The restriction affects travels and parking lanes as well as pedestrian walkways on streets in the downtown area, especially near Petco Park and Convention Center.

Construction in the right-of-way within the restricted area will only be allowed on an exception basis. Applications for exceptions will be processed through the existing Traffic Control Permit process and will be subject to approval of the City Engineer. **This restriction will have no effect on ongoing projects' traffic control base plans that are already in effect prior to July 5th.**

We value your role in making these events a success and look forward to working with you to ensure minimal interference with your project schedules. If you have any questions, please contact Ali Sabouri at (619) 446-5359.

Sincerely,

(Original Signed by James Nagelvoort)

James Nagelvoort, P.E.
City Engineer
