Per NPPC Bylaws

Article V Elections

Section 4. .... Any challenge to the election results must be filed with the chair of the Elections subcommittee in writing within 24 hours of the counting of the ballots in order to allow enough time to resolve the issue.

If a challenge to the March election results is filed, it will be referred to the Election Committee for resolution prior to the seating of the newly elected Board at the April regularly scheduled meeting by the process described in Article V, Section 5.C.5 below.

Section 5.

C. Post-Voting Procedures

5. Election challenges must be made within 24 hours following the March meeting adjournment. (Refer to Article V, Section 4 to review challenge procedures) If a challenge is substantiated it will be heard, by the NPPC as it was composed at the March meeting, at a special meeting to be held prior to the April regularly scheduled NPPC meeting. The newly elected NPPC members will be seated following resolution of the challenge. Further criteria and procedures for challenges
