4. Communications from the public
 - A. Marsha Lyons from SAY San Diego, extended an invitation to Operation Pull the Weeds march, April 20 at 11:15am, Provided a list of Illegal Marijuana Dispensary for Southeastern, Logan Heights, Barrio Logan. Mentioned that in a previous Public Safety & Livable Neighborhoods (PS&LN) meeting Council Member Myrtle Cole asked City Attorney to come to a PS&LN meeting and explain the process of getting these dispensaries shut down and explain why some dispensaries get shut down quickly and others like the one close to Dr. Harrison's Little Lamb Land Christion Pre-School have three illegal unregulated dispensaries are open for business within 100 feet of the campus and continue to pop up? The City attorney declined to come, however differed this to the Development Services Department. This is insulting because being the prosecutor for these dispensaries operation illegally he should be there explaining what is going on. A four step call to action to add to the ordinance: Enforce, Prosecute, Increase fines and add Criminal Penalties. (When addressing item #7 Kwame Oats wanted to express his support to this effort/in disbelief of having to march in our communities when the illegal marijuana dispensaries are that,
