

# Special Meeting

Tierrasanta Community Council & Planning Group  
**Wednesday, September 28, 2016 • 6 to 8:30 pm**  
Tierrasanta Recreation Center • 11220 Clairemont Mesa Blvd.

## Speeding & Traffic Issues in Tierrasanta/Murphy Canyon

*Concerned about speeding and other traffic issues in Tierrasanta/Murphy Canyon?  
A special meeting of the Tierrasanta Community Council & Planning Group on  
Wednesday, September 28<sup>th</sup> from 6 to 8:30 pm at the Tierrasanta Recreation Center  
11220 Clairemont Mesa Blvd. will focus on just that issue!*

*This is your opportunity to share problem areas in our community and hear from a  
Senior Traffic Engineer, the San Diego Police Department & a representative from City  
Councilmember Scott Sherman's office*

Note: this is not a meeting about the condition of streets needing repair in our community however there will be a sheet at the meeting where you can add specific streets that are in need of repaving/resurfacing that the TCC will give to City Councilmember Scott Sherman

This meeting is to hear from the community! No actions can be taken until background information and specific recommendations for potential action are prepared for discussion at future meetings.

### Agenda

- 6 pm Welcome & Introductions - Deanna Spehn, President, TCC
- 6:05 pm Gary Pence, Senior Traffic Engineer, City of San Diego followed by public comment  
• Andrew Martin: Requesting stop sign(s) at Villaricca Way & Corte Playa Barcelona - referred to October 19<sup>th</sup> TCC&PG meeting as an action item
- 7:00 pm Community Service Officer Tom Botstedt, San Diego Police Department and speed enforcement personnel arrive from another community meeting
- 8:30 pm Meeting adjourned
