Chair, Vice Chair, and CPC Report(s)

Action Items:

- 1) Community Plan Update- B. Turgeon. The CPU we forwarded to the City Council was adopted unanimously, and without alteration, on October 25th, with the leadership of our Councilmember Gloria. Update and review status.
- 2) Proposal to continue a parking change to include 22nd between Broadway and E Street. City Engineer Matt Schmidt has drawn up two different plans: 1) angled parking on both sides 2) 90 degree parking on the East side of the street. (Joe Coneglio)- Review and comment to provide input to interested neighbors in advance of the petition process for diagonal parking.
- 3) Proposal for paid parking in “our” Balboa Park (“Plaza de Panama”). Consider requesting a parking fee dispensation for communities like Golden Hill which

have been told they will not be given parks, but will rather have Balboa Park counted as a "park equivalency" (The GGHCPC is already on record in opposition to this project.) C. Brierton
