To Whom It May Concern:

The Barrio Logan Planning Group (BLPG) supports the annual Chicano Park celebration sponsored by the Chicano Park Steering Committee, Stewards of the Park. Chicano Park and the Chicano Park Monumental Murals are recognized as national treasures by their listing on the National Register.

The annual international celebration has been in place for 46 years. The event annually impacts the community positively on many levels including economically, socially and culturally. The event is a great event and brings positive accolades to Barrio Logan, Logan Heights, Southeast San Diego, the City of San Diego and the San Diego surrounding region.

The Barrio Logan Planning Group was formed in 2015 to make recommendations to the City Council, Planning Commission, City staff and other governmental agencies on land use matters specifically concerning the preparation of, adoption of, implementation of, or amendment to, the General Plan or a land use plan when a plan relates to each recognized community planning group's planning area boundaries.

BLPG whole-heartedly supports this annual celebration and praises the Chicano Park Steering Committee, Stewards of Chicano Park/Monumental Murals for their long lasting commitment to highlighting on of San Diego's National Treasure.
