The Mission Valley Planning Group has been formed and recognized by the City Council to make recommendations to the City Council, Planning Commission, City staff, and other governmental agencies on land use matters, specifically concerning the preparation, adoption, implementation, or amendment to, the General Plan or a land use plan when a plan relates to the Mission Valley community boundaries. The planning group also advises on other land use matters as requested by the City or other governmental agency.

I. New Business: Action Items

- 1) **7-11 CUP for beer and wine at Friars Rd and Via Las Cumbres - Steve Laub, Land Solutions**

Presenting – Action Item (10 min)

The proposal is a CUP for the sale of beer and wine in a 7-11 store within the Las Cumbres Square commercial center. The store is permitted by right and the TI permits are in to the City now. The census tract and all the surrounding tracts are under the thresholds for high crime and license saturation, so do not need a PCN from SDPD. We have to get a CUP because of proximity to residential.

J. New Business: Information Items

Presentation on the San Diego Climate Action Plan.
