Jacobs' Center, 404 Euclid Avenue, Community Room, San Diego, CA 92114

Encanto Neighborhoods Community Planning Group area is located in Council District Four within the Southeastern San Diego community area. It is predominantly a low-density residential community with the opportunity for denser residential projects, commercial and industrial uses located near major streets and transit hubs. The area is characterized by changes in topography that create some significant views. Transit is alive and present in the Encanto Neighborhoods with San Diego Trolley stations at 47th Street, Euclid Avenue/Market Street and 62nd Street.

The ENCPG consists of the following neighborhoods: Alta Vista, Broadway Heights, Chollas View, Emerald Hills, Encanto, Lincoln Park, O'Farrell, and Valencia Park.

Community Planning Groups provide citizens with an opportunity for involvement in advising the City Council, the Planning Commission, and other decision-makers on development projects, general or community plan amendments, re-zonings and public facilities. The recommendations of the planning groups are integral components of the planning process, and are highly regarded by the City Council and by staff.
