OVERVIEW

This report describes the process to appoint a member of the public to the Audit Committee for the current public member vacancy. The report begins with background information on the Audit Committee. Then we present a brief summary of the process that was used to solicit and review public member applications. This process has produced two qualified candidates from which the City Council will choose the next public member.

POLICY DISCUSSION

Background
On June 3, 2008, voters approved Proposition C which changed the City Charter with respect to the composition of the Audit Committee. Prior to 2009, the Audit Committee was comprised of three City Council members. Following voter approval of Proposition C, City Charter Section 39.1 was added requiring the City’s Audit Committee be comprised of two appointed members of the City Council (one to serve as Chair of the Committee) and three public members with the “independence, experience and technical expertise necessary to carry out the duties of the Audit Committee.”

For calendar year 2017, the two appointed City Council members on the Audit Committee are Councilmember Gómez (Chair) and Councilmember Sherman. The public members include Thomas Hebrank and Alan Spencer. The third public member is Ricardo Valdivia, whose term expired on January 5, 2017. However, Mr. Valdivia has agreed to continue serving on the Audit Committee during the current appointment process, in which he is also one of the two candidates to be considered for appointment. Note that Charter Section 39.1 provides that public members may serve until the subsequent appointment has been made.
Charter Section 39.1 additionally specifies that public members of the Audit Committee serve four-year terms, and are eligible to serve up to two full consecutive terms. As stated previously, Mr. Valdivia’s first term recently ended. Mr. Hebrank is presently in his second consecutive term (to expire January 2019); and Mr. Spencer is serving in his first (to expire January 2020).

The City Charter requires that public member candidates be reviewed and recommended for City Council appointment consideration by a majority vote of a screening committee comprised of a member of the City Council, the Chief Financial Officer, the Independent Budget Analyst, and two outside financial experts (who are appointed by the other three members of the screening committee and confirmed by the City Council). In accordance with City Charter Section 39.1 and following City Council appointment actions (on July 28, 2008 and February 7, 2017), the screening committee is comprised of the following representatives:

- Georgette Gómez (Audit Committee Chair, City Councilmember for District 9)
- Andrea Tevlin (Independent Budget Analyst, City of San Diego)
- Mary Lewis (Chief Financial Officer, City of San Diego)
- Tracy M. Sandoval (Deputy Chief Administrative Officer/Auditor & Controller, County of San Diego)
- Ed Kitrosser (CPA, Inactive, and Former Managing Partner of Moss Adams, LLP, San Diego Office)

The screening committee is charged with vetting the qualifications of Audit Committee public member candidates and recommending at least two qualified candidates for an open public member position. Once candidates have been reviewed and recommended by the screening committee during a publicly held meeting, the City Council can consider these candidates for appointment. Candidates are evaluated based on the criteria set forth in City Charter Section 39.1 which provides:

Public members of the Audit Committee shall possess the independence, experience and technical expertise necessary to carry out the duties of the Audit Committee. This expertise includes but is not limited to knowledge of accounting, auditing and financial reporting. The minimum professional standards for public members shall include at least 10 years of experience as a certified public accountant or as a certified internal auditor, or 10 years of other professional financial or legal experience in audit management.

Process for the 2017 Public Member Appointment
As stated previously, the City Charter requires each public member of the Audit Committee be appointed by the City Council from a pool of at least two qualified candidates. Solicitation for public member candidates for the January 2017 vacancy began in August 2016. The IBA announced the public member opening and solicited candidate applications in the following ways:

- Posting on the City’s website – City homepage, as well as City Boards and Commissions and Council Committee Meetings pages
- Outreach to the AICPA, CalCPA and the Institute of Internal Auditors
• Requesting candidate identification assistance from City Councilmember offices and others in the City

Two individuals’ applications were submitted to the screening committee, which convened on February 10, 2017. The screening committee determined the two applicants are qualified candidates, unanimously recommending the City Council consider them for appointment to the Audit Committee vacancy. The two candidates for the 2017 appointment are the following individuals:

• Roberta Spoon
• Ricardo Valdivia

In addition, and consistent with past practice, the Police Department reviewed the background of each candidate; and both candidates passed the background check process. Candidate application forms and resumes are attached to this report (certain personal information has been redacted to protect candidate privacy).

Council Process for Appointing a Public Member to the Audit Committee
City Council Policy 000-13 sets forth a procedure for Council appointments. If the number of nominees is greater than the number of vacancies (as is the case with this appointment), Council Policy 000-13 (Procedures, section C.4.) specifies an election to fill the vacancies shall be held as follows:

a. Vacancies will be filled one at a time. The election shall be conducted by written ballot at a scheduled meeting of the City Council. The City Clerk will provide a ballot to each Councilmember, who shall vote for the candidate he or she feels to be most qualified and then return the ballot to the City Clerk. Each Councilmember will have one vote in a round of balloting. The City Clerk shall announce the votes for each candidate at the end of the round of balloting.

b. If a single appointment is to be made [as is the case with this appointment] and more than one qualified candidate has been nominated for the position, the Council shall vote until one candidate receives at least five Councilmember votes. If no one receives at least five Councilmember votes in the first round of balloting, the nominee with the lowest number of votes shall be dropped from the next round of balloting, unless the lowest vote-getters are in a tie situation. This procedure includes nominees who have received zero votes. New ballots will be distributed and a new round of voting will be taken. Voting will continue in this manner until a candidate receives at least five Councilmember votes and is appointed, or the Council President declares an impasse (see “d” below).

c. [This section of the policy pertains to multiple appointments and does not apply in this case.]

d. The Council President will have the discretion to determine when an impasse should be declared, and may declare one, after multiple rounds of voting have occurred and no candidate has received at least five Councilmember votes.
In addition, under City Council Policy 000-13, it is the intent of the Council that appointees be residents of the City of San Diego. If, however, a candidate is a resident of San Diego County, but not the City of San Diego, and is uniquely qualified to serve, then the Council may make a conscious exception to this policy.

CONCLUSION

In accordance with the City Charter, the screening committee has reviewed applications and recommended two qualified candidates who meet eligibility requirements for Council consideration. At the City Council meeting on March 6, 2017, the Council will receive a brief presentation from each of the candidates and have an opportunity to ask questions of the candidates prior to making an appointment decision.

The IBA recommends the City Council appoint one of the two qualified candidates at the Council meeting on March 6th. The IBA will work with the Audit Committee Consultant and the Office of the City Attorney to brief and orient the appointee, as appropriate.
