Statement on the Mayor's Short Term Rental (STR) Proposal

San Diego— I remain committed to a short term rental solution that puts San Diego residents first and protects our housing stock from investors who convert residential neighborhoods into permanent mini-hotels. I continue to be supportive of unlimited home sharing in your own home and up to 90 days a year of a whole-home rental of a primary residence. Under those guidelines, if you wanted to earn extra income by renting out your home during a vacation, Comic Con or other special event in San Diego, you would be permitted to do so. San Diegans expect their elected officials to create policies that protect our sharing economy and residential zoning, while increasing our housing stock, not depleting it. San Diego residents deserve nothing less.

Council President Pro Tem Barbara Bry represents San Diego City Council District 1, which includes the communities of Carmel Valley, Del Mar Heights, Del Mar Mesa, La Jolla, Pacific Highlands Ranch, Torrey Hills, Torrey Pines, and University City.
