A new library is coming!

The 15,000-square foot facility will be LEED certified and feature designated children and teen areas, study and meeting spaces, a computer lab and multi-purpose indoor and outdoor community gathering areas.

The Campaign for San Ysidro seeks private support to infuse the new library with educational resources, innovative programming and the latest technology.

Monies raised will fund and staff an IDEA Lab that includes 3-D and color printers, computers with advanced software and other enhancements to provide access to state-of-the-art learning tools.

Our Community Tile Program offers you the opportunity to make a lasting impact by purchasing a tile (or tiles!) that will be placed on a prominent wall in the great room of the new library. Tiles come in two sizes - a 4x8 for $100 (3 lines with up to 18 characters each) and 8x8 for $250 (6 lines with up to 18 characters each).

Please visit www.SupportMyLibrary.org/sy to sign up for updates and to offer support through our community tile program.

Our Lady of Mount Carmel Sculpture Installation

2020 Alaquinas Drive, San Ysidro, Ca

Proposed Agenda Item for May 21, 2018

Project Description

The Catholic Diocese in conjunction with PICO California (San Diego Organizing Project) is proposing to permanently install a major sculpture by artist Jim Bliesner to memorialize the migrant populations of the world. The work in perforated aluminum will be located in the Southwest corner of the existing church parking lot and will be set in a custom designed and engineered patio accessible by foot and ADA compliant. The work will be illuminated internally with low voltage LED lighting with some possible external lighting in the patio area. Installation will be supervised by Reid Middleton Engineers and CNP Sign Company of San Diego. The art style is consistent with existing art elements located on the church campus and church architecture. Existing parking spaces exceed CUP requirements so no additional parking is required.

The work will not exceed the highest point on the existing Mt Carmel site (elevation 40 feet). It will be in compliance with current FAA rules regarding height (no higher than existing structures) and will require no additional parking or modifications to the existing CUP of the church. Necessary building permits will be secured for both the structure and the patio. It is hoped that this notable work will strengthen community identity and encourage economic development.

Respectfully submitted,

Jim Bliesner MA

intended to create a reflective and ceremonial space at the base of the sculpture. The work would stand on a cement platform and be lit from inside at night. Opportunity for donors and a memorial space are included. Steps on each side lead to a viewing space below the work and overlooking Tijuana. Multiple surfaces allow for mosaic imaging on the base of the platform (5 feet tall) and on bench surfaces scattered throughout. The patio is lit at night.

No electrical wiring, device, appliance, or equipment shall be installed within or on any structure or premises nor shall any alteration, addition, or replacement be made in any existing wiring, device, appliance, or equipment unless an Electrical Permit has been obtained for the work, except as exempted in Section 129.0303. |
| 129.0402(a)(b) | When a Plumbing/Mechanical Permit Is Required  
(a) No plumbing system, or portion of a plumbing system, shall be installed within or on any structure or premises, nor shall any alteration, addition, or replacement be made in any existing plumbing system unless a Plumbing/Mechanical Permit has been obtained for the work. |
Corrective Actions Required By July 1, 2018:

You shall obtain permits for all unpermitted work observed at the property.

OR

Obtain permits to remove all unpermitted work and return the property to its previously approved configuration.

THIS NOTICE MUST BE SUBMITTED WHEN APPLYING FOR APPROVAL TO DEVELOP AND/OR APPLYING FOR REQUIRED PERMITS.

Engineering and building permits may be applied for at the Development Services Department, 1222 First Avenue, third floor. Please telephone (619) 446-5000 for general information about getting the required permits.

FAILURE TO COMPLY WITH THIS NOTICE

Failure to comply with this Notice may result in enforcement actions, including but not limited to administrative abatement, civil penalties, appointment of a receiver, revocation of permits, withholding of future municipal permits, civil injunction, or criminal prosecution.

Be advised that there is a reinspection fee ($264.00 or $295.00) to recover costs for additional inspection services in accordance with San Diego Municipal Code, Section 13.0103. A bill for this service will be mailed to you immediately following the third (3rd) scheduled inspection.

If you have any questions, please call me at (619) 533-6134.
