8:00 PM	Joe LaCava – Public Land Public Vote Coalition. In June of 2017 the EACPC voted to support the placement of the issue of Soccer City on the November 2018 Ballot for public vote. Mr. LaCava is requesting we take a position on the SCI. He says other CPGs have taken a position on the measure. See minutes from June 2017 meeting #8. SOCCERCITY INITIATIVE FOR STADIUM PROPERTY - Mr. Joe Lacava, member of Public Land Public Vote Coalition requested EACPC make recommendation to city council that the public vote happen in the general election Nov. 2018. Mission Valley is getting a community plan update but Soccer city does not want to talk to planning groups. This for-profit investment group used the citizen's initiative process to create a 3,000 page document behind closed doors with no EIR and no public review. PLPVC is fighting this public land 'grab' and Mr. Lacava mentioned council policy 700-10 spells out how to dispose of public land. Soccer city's traffic study is smaller than Civitia's — they promised a river park but could just "write the check" — Mayor ONLY writes the lease — SDSU needs land — city council can't change anything in citizen's initiative but could issue a RFP. Motion by Derryl to approve recommendation letter emphasizing EACPC 's desire for a RFP to be issued and second by Harley— passes 9-0-1 chair abstains. Note: 600-24- Article II, Section 5 does state that a Community planning group may take a position on a ballot measure.	ACTION ITEM 20 MINUTES
