Updated Offer to Purchase Mission Valley Stadium Site

San Diego— In June 2017, less than six months after taking office, I took a stand against a SoccerCity land grab, and dared to ask what San Diego might look like in 50 years if we took the time to thoughtfully shepherd a project that expands the River Park, is economically beneficial, socially responsible, and affirms our city's identity as an international hub for innovation.

Deciding the future of the Mission Valley site is a once-in-a-lifetime opportunity for San Diegans. I want to ensure that this valuable piece of land in the heart of San Diego is utilized by the entire region and to the maximum benefit of all.

I am pleased that the City of San Diego and SDSU will discuss this revised "Offer to Purchase Mission Valley Stadium Site" in open session. I look forward to hearing from my Council colleagues as well as constituents. We have gotten this far by building a strong and diverse coalition that includes the Council, the Mayor, SDSU, and community members. As a coalition, we will ensure adherence to Measure G and maximum public benefit for generations to come.

Council President Pro Tem Barbara Bry represents San Diego City Council District 1, which includes the communities of Carmel Valley, Del Mar Heights, Del Mar Mesa, La Jolla, Pacific Highlands Ranch, Torrey Hills, Torrey Pines, and University City.
