Photocopies of documents are acceptable.

When to Vote: Ballots will be handed out to eligible voters, upon presentation of proper identification, once the March 5th meeting is called to order. As a courtesy, it is suggested that before completing the ballot, voters first listen to the three minutes statements each candidate will make regarding their qualifications and reasons they would like to serve, or continue to serve, on the Board. There will also be written statements from each candidate posted on the Uptown Planners website at: www.uptownplanners.org

Election Ballots: The names of all the announced candidates will be listed on the ballot. **A voter may vote for up to seven candidates.** A vote for a candidate is made by circling their name on the ballot. If more than seven names are circled, the ballot will be ruled invalid.

Close of Voting: Once the voting is over, the election committee will then count the ballots at a table in the back of the room. All individuals present in the room will be able to observe, but no one is permitted to participate or interfere with the work of the election committee.

Announcement of Results: After counting the ballots, the election committee will seal the counted ballots in a plastic bag, and present them to the full board. They will be placed on the table in full public view, should further review become necessary it will be done under the supervision of the board. At an appropriate time during the meeting, the results will be read by the chair. The seven candidates who receive the most votes will be seated at the April 2, 2019 meeting.
