

Linda Vista Planning Group (LVPG)

The Linda Vista Planning Group is officially recognized by the City of San Diego to advise and make recommendations to the City Council, the Planning Commission, City staff, and other governmental agencies on land use matters relating to the greater Linda Vista community.

The Linda Vista Planning Group created an ad hoc sub-committee on the development of the Riverwalk Golf Course that is in Mission Valley and borders Linda Vista. This ad hoc sub-committee is tasked to work with the Mission Valley Planning Group and the developer on issues of mutual community interest such as traffic, parking, pedestrian access and safety, and other relevant planning matters, and to make regular reports to the LVPG.

The Linda Vista Riverwalk Ad Hoc Sub-Committee will meet on Thursday, August 8, 2019 at 5:30 p.m. at the Linda Vista Library Community Room located at 2160 Ulric, San Diego.

The Riverwalk developer, Hines, will be present to discuss where the development of Riverwalk is in the City's planning process and what Hines is working on currently, and, the schedule for Hines' presentation before City Council for approval of the Riverwalk Development.

The subcommittee will review its recommendations for the Riverwalk Development.

There will be time set aside for a question and answer period and non-agenda comment.

Please note the change in the regular meeting schedule to the second Thursday of the month at 5:30 p.m. Subcommittee meeting notices are submitted to Linda Vista library branch manager and to the City for posting four days in advance of the meetings.

Any interested persons are welcome to attend this meeting or any of our Linda Vista Planning Group meetings that are regularly held on the fourth Monday of each month at 5:30 p.m. at the Linda Vista Library Community Room located at 2160 Ulric in San Diego.
